POSTPONED: 4-H Club Road Closure at I-12 Postponed Until Week of Aug. 23.
Widening bridge requires full-time road closure

Denham Springs, La.— Louisiana Department of Transportation and Development (DOTD) announced that 4-H Club Road under Interstate 12 will close for approximately three months starting the week of Aug. 23 to widen the I-12 eastbound overpass.

Due to the nature of the overhead work and the confined work area on 4-H Club Road, there will be no through access for vehicles, pedestrians or cyclists. Workers installed signs notifying the public of the closure. Detours during this portion of the project are Bass Pro Road or Rushing Road to Range Road.

The closure information will also be part of an Aug. 17 DOTD open house workshop scheduled from 5-8 p.m. at Bass Pro Shops in Denham Springs to discuss various transportation projects in the area.

The 4-H Club Road closure is part of the Geaux Wider Program, which includes widening almost 16 miles of I-12 and I-10, and a ramp meter system along I-12.

For more information on this project, visit www.GeauxWider.com or call Louisiana DOTD Customer Service at 1-877-4LA-DOTD (452-3683) 7:30 a.m. to 5 p.m. Monday through Friday. The public may also access updated information on Facebook ([Facebook.com/GeauxWider1](https://www.facebook.com/GeauxWider1)) and Twitter ([Twitter.com/GeauxWider](https://twitter.com/GeauxWider)). To help spread the word about the 4-H Club Road closure, Livingston Parish officials will post the information to its website, www.livingstonparishla.gov and to its Facebook site at <http://www.facebook.com/livingstonparishla>.
