UPDATE: Lane Closure Advisories for the I-10 Widening Project

Baton Rouge—Weather permitting, there are several scheduled lane closures associated with the I-10 widening project for early next week. The following closures are scheduled for Sunday, July 25 through Tuesday, July 27:

- Westbound I-10 from Siegen to the I-10/12 split will reduce to one lane from 9 p.m. to 5 a.m. for embankment and bridge work.
- Eastbound I-10 from the I-10/12 split to Siegen will reduce to one lane from 9 p.m. to 5 a.m. for embankment and bridge work.
- Southbound Bluebonnet will reduce to one lane at the I-10 overpass from 9 p.m. to 5 a.m. for bridge work.

In addition, the following closures are scheduled for Sunday, July 25, weather permitting, to allow crews to repair an impact attenuator (“crash cushion”):

- The I-12 eastbound on-ramp from I-10 westbound will be closed from 11 p.m. to 4 a.m.
- The I-10 westbound on-ramp from Essen Lane will be closed from 11 p.m. to 4 a.m.

These closures will allow vehicles 11-feet wide or smaller to pass through the construction zones. The road is open for regular traffic, but oversize vehicles must detour using U.S. 61 (Airline Highway) at the Sorrento exit and travel north the Interstate 12, travel west on I-12 and reconnect with I-10 in Baton Rouge.

The Louisiana Department of Transportation and Development appreciates your patience and encourages drivers to exercise caution and obey all warning signs through the construction area. Please be aware of all construction workers and equipment.

The Louisiana DOTD Geaux Wider program is a multi-year construction initiative designed to increase capacity, improve safety and enhance mobility on Interstates 10 and 12 in East Baton Rouge and Livingston Parishes.

The following interstate segments will be widened to six lanes under the Geaux Wider program:

- Interstate 10, from the I-10/12 split to Siegen Lane.
- Interstate 10, from the Siegen Lane interchange to Highland Road.
- Interstate 12, from the O’Neal Lane interchange to Pete’s Highway.

- Interstate 12 eastbound, from Pete's Highway to Juban Road.

Construction is underway now with the completion date for the entire program estimated for late 2012. For more information, contact Louisiana DOTD Customer Service at 1-877-4LA-DOTD (3683) or visit www.geauxwider.com.
