Lane Closure Advisories for the I-10 and I-12 Widening Projects

Baton Rouge—There are several scheduled lane closures associated with the I-10 and I-12 widening projects this weekend and next week.

The following I-12 closure is scheduled for Fri., Feb. 26 and Sat., Feb. 27, from 8 p.m. to 5 a.m., weather permitting:

- Eastbound I-12 will reduce to one lane from the O’Neal Lane onramp to the end of the Amite River for crews to drive sheet pile.

Motorists wanting to take an alternate route can travel north on O’Neal to Florida Boulevard. Turn right on Florida Boulevard and travel to 4-H Club Road. Turn right on 4-H Club Road and turn left on Rushing Road. Travel approximately 1.5 miles and re-intersect with I-12.

The following I-10 closures are scheduled for Sun., Feb. 28 through Thurs., March 4, from 9 p.m. to 5 a.m., weather permitting:

- Westbound I-10 from Pecue Lane to the I-10/12 split will reduce to one lane for embankment and bridge work.
- Eastbound I-10 from the I-10/12 split to Pecue Lane will reduce to one lane for embankment and bridge work.
- Both directions of Bluebonnet Boulevard will reduce to one lane under the I-10 overpass.
- Both directions of Essen Lane will reduce to one lane under the I-10 overpass.
- Both directions of Siegen Lane will reduce to one lane under the I-10 overpass.

These closures will allow vehicles 11-feet wide or smaller to pass through the construction zones. The road is open for regular traffic, but oversize vehicles must detour using U.S. 61 (Airline Highway) at the Sorrento exit and travel north the Interstate 12, travel west on I-12 and reconnect with I-10 in Baton Rouge.

The Louisiana Department of Transportation and Development appreciates your patience and encourages drivers to exercise caution and obey all warning signs through the construction area. Please be aware of all construction workers and equipment.

The Louisiana DOTD Geaux Wider program is a multi-year construction initiative designed to increase capacity, improve safety and enhance mobility on Interstates 10 and 12 in East Baton Rouge and Livingston Parishes.

The following interstate segments will be widened to six lanes under the Geaux Wider program:

- Interstate 10, from the I-10/12 split to Siegen Lane.
- Interstate 10, from the Siegen Lane interchange to Highland Road.
- Interstate 12, from the O’Neal Lane interchange to Pete’s Highway.

- Interstate 12 eastbound, from Pete's Highway to Juban Road.

Construction is underway now with the completion date for the entire program estimated for late 2012. For more information, contact Louisiana DOTD Customer Service at 1-877-4LA-DOTD (3683) or visit www.geauxwider.com.
